Invitation to Bid

Resurfacing of Various Streets- 2014

Issue Date: December 18, 2013

Issued By: City of Glennville
Public Works Department
134 South Veterans Blvd.
Glennville, GA 30427

Inquiries: Stan Dansby
Public Works Director
publicworksadm@windstream.net

Proposals Due: Tuesday, January 15, 2014 by 2:00 P.M., EST

Bid Opening: Tuesday, January 15, 2014 at 2:00 P.M., EST

Last day to submit questions/ requests for clarifications: January 3, 2014
Responses issued: January 9, 2013

The City of Glennville, Georgia

The **City of Glennville** is soliciting sealed bids for contracting to furnish all materials, labor, tools, equipment, and services necessary, including traffic control, for the resurfacing of approximately 2.8 centerline miles on 5 streets. The Contractor shall furnish all materials, labor, tools, equipment and services required, including traffic control, to complete the project and fulfill the terms and conditions of this **Invitation to Bid**.

Project Description

A listing of the street sections and limits is attached as “Exhibit A”

See detail in Project Description, City’s Concept and Project Instructions.

A listing of bid items and estimated quantities is attached as “Exhibit B”

The total from “Exhibit B” shall be carried forward and included on the Base Bid Sheet

The City of Glennville, with assistance from the Georgia Department of Transportation (GDOT), desires to contract for milling, resurfacing and other maintenance work of various streets through the Local Maintenance & Improvement GDOT-TIA (T-Splost) program.

The contractor shall be responsible for the adjustment of utilities, including the adjustment of valve covers and manholes to finish grade following final paving. All riser and rings for valve covers and manholes will be provided by the City. The Contractor shall be responsible for handling any arrangements with the utility owners prior to any utility adjustments as necessary.

Side roads, tie-ins to driveways and pull-off parking, where applicable, shall be constructed to the proper width and establish a smooth ingress and egress during each stage of the paving operation.

The contractor shall perform all work in accordance with GDOT standards and specifications relating to the TIA / T-SPLOST program. The contractor shall notify the GDOT Area Construction Office prior to work starting on the project.

The Contractor shall be responsible for clearing right-of-way obstructions as a part of the work.
(If necessary)

The work shall begin with-in six (6) months after the issuance of a Notice to Proceed by the City of Glennville and shall be carried through to completion without unreasonable delay (30) days after actual work begins, and without suspension of work unless authorized in writing by the City of Glennville.

Temporary Striping (Tape is acceptable) is included as a part of this project and includes stop bars. Furnishing and applying shall be installed as soon as practical following resurfacing. All striping and pavement markings shall be in accordance with the specifications of the GDOT and the Manual on Uniform Traffic Control Devices (MUTCD).

Variable Depth Mill:

This work includes removal of existing asphalt layers sufficient to restore / maintain a 2% cross slope to match existing gutters. The street to be milled is Caswell Street.

Contractor shall mill Entire Street where Curb and Gutter exist to maintain proper drainage. Milling shall be variable depth milling 1-1/4" to 2" typical. Depth at face of curb shall be milled not less than 2" deep, to extend outwardly approximately 6' (feet) on a taper to a depth of 1-1/4". Remaining section of street shall be milled at a depth of not less than 1-1/4".

Traffic Control:

The cost of furnishing, installing, maintaining, and removing all traffic control devices and all other work associated with traffic control shall be listed as a separate item. Traffic control shall be in accordance with the MUTCD.

Traffic control devices may be placed on stands.

Warranty:

The warranty period shall be for one (1) year minimum from the date of final acceptance by the City. Work not conforming to these requirements, including substitutions not properly approved and authorized, may be considered as defective. The Contractor also certifies that the services to be rendered pursuant to this **Invitation to Bid** shall be performed in accordance with the standards customarily provided by an experienced and competent professional rendering the same or similar services.

Changes:

The City, without invalidating any contracts awarded based on this Invitation to Bid, may order changes within the general scope of the services required to complete the work, by altering, adding to and/or deducting from the services to be performed. If any changes under this clause cause an increase or decrease in the Contractor's total cost of, or time required for, the performance of any part of the work, an equitable adjustment shall be made by mutual agreement and the Contract shall be modified in writing accordingly. All such changes in services shall be in writing.

Payment:

The quantities shown are approximates only and subject to increase or decrease and any increases or decreases are to be paid for at the contract unit prices submitted. Increases or decreased of significant quantities must be approved in writing before payment will be made. (Significant Quantities are determined by the City)

BIDDING INFORMATION

1. Proposal Submission

The following information shall be included in the Proposal and in the order presented below.

- a) Base Bid (see attached form, Base Bid Sheet)
- b) Project schedule, estimated start date and number of days for completion
- c) References; include contact information
- d) Contractor Affidavit and Agreement
- e) Subcontractor/ Sub-subcontractor Affidavit
- f) Contractor's Statement- GSICA

2. Evaluation and Selection

The City will select the firm that demonstrates the best combination of qualifications and base bid price. The City is not obligated to select the firm with the lowest base bid price. Interviews may be required, however the City reserves the right to award a contract based upon evaluation of the written submittals only.

3. Qualification of Bidders

To bid on this work, the Contractor must be listed on the current Georgia Department of Transportation Pre-Qualified Contractors list. **NO EXCEPTIONS**

4. Bid Security:

The bid shall be accompanied by a Bid Bond in an amount not less than 5% of the total bid amount. The Bid Bond shall be in the form of a surety issued bond (issued by a surety licensed to conduct business in the State of Georgia) or a cashier's check made payable to The City of Glennville. The Bid Bond shall be forfeited to The City of Glennville, as liquidated damages if the bidder fails to execute the Contract and provide Performance and Payment Bonds within fifteen (15) calendar days after being notified that he has been awarded the Contract.

The bid security of the successful bidder will be retained until such bidder has executed the Contract and furnished Performance and Payment Bonds, whereupon the Bid Security will be returned. If the successful bidder fails to execute and deliver the Contract and furnish the required Performance and Payment Bonds within fifteen (15) calendar days after Notice of Award, The City of Glennville may nullify the Notice of Award and the Bid Security of that bidder will be forfeited to The City of Glennville as liquidated damages.

The bid Security of bids which are deemed not competitive will be returned within seven (7) business days after the bid opening.

5. Contract Security:

If the award is made, the successful bidder shall furnish, within fifteen (15) calendar days after receipt of the signed Acceptance Agreement, a Performance Bond and a Payment Bond, each in an amount of one hundred percent (100%) of the Contract price.

The Performance Bond and the Payment Bond shall be issued by a surety company licensed and authorized to conduct business in the State of Georgia with an “A” minimum rating of performance and a financial strength of at least five (5) times the contract price as listed in the most current publication of “Best’s Key Rating Guide Property Liability”. Each Bond shall be accompanied by a “Power of Attorney” authorizing the attorney-in-fact to bind the surety and certified to include the date of the bond. Bonds shall clearly make reference to this invitation by title and shall show the City of Glennville as holder.

6. Basis of Bid; Comparison of Bids:

Bidders shall submit a total base bid price. During the bid comparison process if discrepancies are found, the City Manager will resolve issues as listed below:

Discrepancies between the multiplication of units of work and unit prices may be resolved in favor of the unit prices. Discrepancies between the indicated sum of any column of figures and the correct sum thereof may be resolved in the favor of the correct sum. Discrepancies between words and figures may be resolved in favor of the words.

INSTRUCTIONS, TERMS, AND CONDITIONS

A. Instructions for Submitting Bids

Interested bidders must submit two (2) copies in one sealed envelope of his/ her proposal no later than **2:00 P.M. Wednesday, January 15, 2014** to

Amy Murray, City Manager
“Resurfacing of Various Streets- 2014”
City of Glennville
134 South Veterans Blvd.
Glennville, Georgia 30427

All bids must be received in the Office of City Manager no later than 2:00 P.M. Wednesday, January 15, 2014. **Bids submitted after the 2:00 P.M. deadline or delivered to a location other than the Office of City Manager will not be accepted; no exceptions.** Submissions shall contain necessary bonds.

Copies of the Invitation to Bid may be picked up at 134 South Veterans Blvd. or requested by Email. They are also available on the City’s website at www.cityofglennvillega.com Inquiries should be directed to Stan Dansby, Public Works Administrator, Office # 912-654-2476 or Email to publicworksadm@windstream.net

B. Reserved Rights

The City reserves the right to accept or reject any and/or all proposals, to waive irregularities and technicalities, and to request resubmission. Any sole response received by the first submission date may or may not be rejected by the City, depending on available competition and timely needs of the City. The City reserves the right to award the order to the most responsible vendor submitting a proposal, with a resulting negotiated agreement which is most advantageous and in the best interests of the City. The City shall be the sole judge of the proposal, and the resulting negotiated agreement that is in its best interest and its decision shall be final. Additionally, the City reserves the right to make such investigation or to request clarifications, as it deems necessary, to determine the ability of any vendor to complete the delivery of the order.

C. Cost of Proposal

This Invitation to Bid is not to be construed as a contract or as a commitment of any kind; nor does it commit the City of Glennville to pay for any cost incurred in the submission of a response or for any cost incurred prior to the execution of a formal contract.

D. General Conditions

Upon submission of a bid, the bidder hereby certifies on behalf of his / her company or organization that:

1. This bid is genuine and not made in the interest of, or on behalf of, an undisclosed person, firm or corporation.
2. This bid is not submitted in conformity with any agreement or rules of any group, association, organization or corporation.
3. The bidder has not directly or indirectly induced or solicited any other bidder to submit a false or sham bid.
4. The bidder has not solicited or induced any person, firm or corporation to refrain from bidding.
5. The bidder has not sought by collusion to obtain for itself any advantages over any other bidder or over the City of Glennville.

E. **Equal Opportunity**

The City of Glennville prohibits discrimination on the basis of race, color, gender, religion, national origin, or disability in connection with employment of any person, or the award of any contract with the corporation. The City of Glennville will provide equal opportunities without regard to race, color, gender, religion, national origin, or disability, by requiring that any bank doing business with the corporation provide equal opportunity to persons and businesses employed by, or contracting with the supplier of products and services to the Corporation.

F. **Access to Public Records Act Notice**

Each vendor should give specific attention to the identification of those portions of its proposal that it considers confidential, proprietary commercial information or trade secrets, and provide justification as to why such materials, upon request, should not be disclosed.

G. **Georgia Security and Immigration Compliance Act: E-verify and Save Program**

The City of Glennville participates in the Georgia Security and Immigration Compliance Act with regard to Contractors and Subcontractors. The Act is explained in detail in this document. Additionally, there are four documents included that must be completed and returned to the City of Glennville with each proposal package, as applicable. These are:

1. Georgia Security and Immigration Compliance Act of 2006
2. Contractor Affidavit and Agreement
3. Subcontractor Affidavit
4. Sub-subcontractor Affidavit

GEORGIA SECURITY AND IMMIGRATION COMPLIANCE ACT: E-VERIFY AND SAVE PROGRAM OVERVIEW

I. Federal Work Authorization Program Registration

As of July 1, 2007, the Georgia Security and Immigration Compliance Act (GSICA) requires counties and other public employers, along with contractors and subcontractors doing business with public agencies, to register and participate in a federal work authorization program to verify work eligibility of all new employees. [*OCGA § 13-10-91 (a)*]

Registration/Access. According to regulations of the Georgia Department of Labor, the applicable federal work authorization program is the "E-Verify Program" operated by the U.S. Citizenship and Immigration Services Bureau (USCIS) and the Department of Homeland Security (DHS). An employer's participation in E-Verify is currently free to employers. Users can access the web-based program at <https://e-verify.uscis.gov/enroll/StartPage.aspx?JS=YES>. To participate, an employer must register online and accept the electronic Memorandum of Understanding (MOU). If you need assistance in completing the registration process or need additional information relating to E-Verify, call the USCIS Verification Office toll free at 1-888-464-4218. [*Georgia Department a/Labor Rules, §§ 300-10-1-.01 and .02*]

Certification of Registration and Participation. Each county and other public employer must certify that it has registered and is participating in the E-Verify Program. For counties, certification is accomplished by transmitting a copy of all documents required for registration and participation including the required Memorandum of Understanding and the E-Verify Program ID number to the chairman/CEO/mayor of the county or consolidated government. [*Georgia Department a/Labor Rules, § 300-10-1-.04*]

Monitoring New Employee Work Eligibility. Each county and other public employer must designate an individual to monitor compliance with the employee eligibility verification requirements of the new law and maintain necessary records. [*Georgia Department a/Labor Rules, § 300-10-1-.05*]

II. Agreements Between Public Employers and Contractors/Subcontractors

The GSICA also phases in a requirement that bars counties and other public employers from entering into agreements with contractors/subcontractors for the "physical performance of services" unless the contractor/subcontractor registers and participates in a federal work authorization program to verify work eligibility. Under GSICA, a subcontractor is defined to include subcontractors, contract employees, staffing agencies, or contractors. [*OCGA § 13-10-91 (b) (1) and (2) and Georgia Department a/Labor Rules, § 300-10-1-.02*]

Phase-In Schedule. The contracting requirements of the GSICA are to be implemented as follows:

- (a) Beginning July 1, 2007, public employers, contractors and subcontractors with 500 or more employees.
- (b) Beginning July 1, 2008, public employers, contractors and subcontractors with 100 or more employees.
- (c) Beginning July 1, 2009, all public employers, contractors and subcontractors.

[*OCGA § 13-10-91 (b) (3) and Georgia Department a/Labor Rules, § 300-10-1-.02*]

Evidence of Contractor/Subcontractor Compliance. Each agreement between a public employer and a contractor/subcontractor for the physical performance of services will have to include a provision that compliance with OCGA § 13-10-91 is a condition of the contract. In addition, each contract must include a requirement that the contractor/subcontractor execute an affidavit verifying compliance with OCGA § 13-10-91. The affidavit must be in a form consistent with the sample affidavits included in the Georgia Department of Labor Rules. [*Georgia Department of Labor Rules, §§ 300-10-1-.03 and .07*]

Public Transportation Contracts. The Georgia Department of Labor Rules applies generally to contracts between a public employer and a contractor/subcontractor. Exception: Rules and forms related to agreements relating to "public transportation" are to be promulgated by GDOT. [*OCGA § 13-10-91 (d)*]

III. Access to Federal, State and Local Benefits

Counties and other public agencies must verify that a person who applies for federal, state or local benefits (as defined in 8 U.S.C. Sections 1611 and 1621) is lawfully within the United States by requiring the applicant to sign an affidavit specifying that he or she is a citizen, legal permanent resident, or a qualified alien or nonimmigrant. [*OCGA § 50-36-1*]

Verification. For aliens seeking benefits that claim to be lawfully present in the U.S., eligibility for benefits must be determined through the Systematic Alien Verification of Entitlement (SAVE) program operated by the U.S. Citizenship and Immigration Services (USCIS) and Department of Homeland Security (DHS). To join the SAVE Program and acquire access to the VIS-CPS (Verification Information System (VIS), Customer Processing System (CPS) to perform immigration status verification, an agency must first establish a Memorandum of Understanding (MOU) with the SAVE Program, and then establish a purchase order with the SAVE Program contractor to pay for VIS-CPS transaction fees. Access to SAVE is subject to USCIS resource limitations or other legal or policy criteria. To request participation in SAVE and to begin the MOU process, please access the following website to register: <https://www.vis-dhs.com/agencyregistration>. For more information on the SAVE Program, please call 1-888-464-4218.

Public Benefits Defined. Generally, public benefits are defined to include any grant, contract, loan, professional license, or commercial license provided by federal, state or local government; and, any retirement, welfare, health, disability, public or assisted housing, postsecondary education, food assistance, unemployment assistance or similar benefit. [*8 U.S.C. Sections 1611 and 1621*]

Benefits Excluded. Generally, the verification requirements do not apply when the following public benefits are applied for:

- (1) Treatment of emergency medical conditions;
- (2) Short term, non-cash emergency disaster relief;
- (3) Immunizations;
- (4) Certain in kind programs or services (such as soup kitchens and crisis counseling) delivered by public and nonprofit agencies that are necessary for the protection of life or safety when approved by the U.S. Attorney General;
- (5) Prenatal care;
- (6) Postsecondary education under specified circumstances;

- (7) Certain community development assistance or financial assistance programs administered by HUD; and
- (8) Other Federal programs including certain social security and Medicare benefits under specified conditions. [*OCGA § 50-36-1 (c) and 8 U.S.C. Sections 1611 and 1621*]

Note that it is unlawful for a county or other public agency to provide any federal, state or local benefit in violation of *OCGA § 50-36-1*. An annual report is to be prepared regarding the requirements of the new law.

Regarding the details of the verification requirements, benefits covered and exclusions please see the Federal statutes cited above.

Georgia Security and Immigration Compliance Act of 2006

The City of Glennville complies with the requirements of O.C.G.A. 13-10-19 and requires that all contractors and subcontractors comply with Rule 300-10-1-.02 as a condition of awarding contracts.

- 1. The contractor certifies that the following employee-number category is applicable to the contractor: (initial one only)

_____ 500 or more employees

_____ 100 or more employees

_____ fewer than 100 employees

- 2. The contractor agrees that in the event the contractor employs or contracts with any subcontractor(s) in connection with the covered contract, the contractor will secure from the subcontractor(s) such subcontractor(s) indication of the employee-number category applicable to the subcontractor.

- 3. In the event the contractor employs or contracts with any subcontractor(s) in connection with the covered contract, the contractor will secure from such subcontractor(s) attestation of the subcontractor(s) compliance with O.C.G.A. 13-10-91 and Rule 300-10-1-.02 by the subcontractor's execution of the subcontractor affidavit shown in Rule 300-10-1-.08 or a substantially similar subcontractor affidavit and will maintain records of such attestation for inspection by the public employer at an time. Such subcontractor affidavit shall become part of the contractor/subcontractor agreement.

PROJECT DESCRIPTION, CITY'S CONCEPT AND PROJECT INSTRUCTIONS

This section describes the City of Glennville's concept for each roadway. It also provides instructions specific for each roadway. When this Section conflicts with GDOT specifications, all GDOT specifications shall be followed.

1. Hilltop Road: Contractor shall provide leveling and an asphalt surface course as described below.

- A. Clip Shoulders: Contractor shall clip the edge of the shoulders and Broom the Street prior to Tack Coat. There will be no separate pay for this Item. (Include with Traffic Control).
- B. Leveling: Contractor shall level all areas of Street where need. City has marked these areas with fluorescent paint, however leveling not limited to just these areas.
- C. Tack Coat: All surfaces shall be tack coated per GDOT specifications before applying asphalt surface course.
- D. Surface Course: 165 lbs. /SY of 9.5 mm Superpave, Type I or II include Bitumen Material & H Lime. (Per GDOT specifications)
- E. Testing: A testing firm shall be hired by the Owner. Contractor shall be responsible for coordination.
- F. Painting: Contractor shall place temporary stripping and stop bars in accordance with GDOT Specs. (Include in Traffic Control)

- G. Fix Shoulders: Contractor shall dress up shoulders after paving operation is complete. To include removal of all construction debris and dirt clippings. This task must be completed within 48 hours of asphalt placement. (Include in Traffic control.)
- H. Traffic Control: Contractor shall be responsible for traffic control as outlined in the MUTCD.

2. Durrence Street: Contractor shall provide leveling and an asphalt surface course as described below.

- A. Clip Shoulders: Contractor shall clip the edge of the shoulders and Broom the Street prior to Tack Coat. There will be no separate pay for this Item. (Include with Traffic Control).
- B. Leveling: Contractor shall level all areas of Street where need. City has marked these areas with fluorescent paint, however leveling not limited to just these areas.
- C. Tack Coat: All surfaces shall be tack coated per GDOT specifications before applying asphalt surface course.
- D. Surface Course: 165 lbs. /SY of 9.5 mm Superpave, Type I or II include Bitumen Material & H Lime. (Per GDOT specifications)
- E. Testing: A testing firm shall be hired by the Owner. Contractor shall be responsible for coordination.
- F. Painting: Contractor shall place temporary stripping and stop bars in accordance with GDOT Specs. (Include in Traffic Control)
- G. Fix Shoulders: Contractor shall dress up shoulders after paving operation is complete. To include removal of all construction debris and dirt clippings. This task must be completed within 48 hours of asphalt placement. (Include in Traffic control.)
- H. Traffic Control: Contractor shall be responsible for traffic control as outlined in the MUTCD.

3. Bonnie Street: Contractor shall provide leveling and an asphalt surface course as described below.

- A. Clip Shoulders: Contractor shall clip the edge of the shoulders and Broom the Street prior to Tack Coat. There will be no separate pay for this Item. (Include with Traffic Control).

- B. Leveling: Contractor shall level all areas of Street where need. City has marked these areas with fluorescent paint, however leveling not limited to just these areas.
- C. Tack Coat: All surfaces shall be tack coated per GDOT specifications before applying asphalt surface course.
- D. Surface Course: 165 lbs. /SY of 9.5 mm Superpave, Type I or II include Bitumen Material & H Lime. (Per GDOT specifications)
- E. Testing: A testing firm shall be hired by the Owner. Contractor shall be responsible for coordination.
- F. Painting: Contractor shall place temporary stripping and stop bars in accordance with GDOT Specs. (Include in Traffic Control)
- G. Fix Shoulders: Contractor shall dress up shoulders after paving operation is complete. To include removal of all construction debris and dirt clippings. This task must be completed within 48 hours of asphalt placement. (Include in Traffic control.)
- H. Traffic Control: Contractor shall be responsible for traffic control as outlined in the MUTCD.

4. East Mendell Avenue: Contractor shall provide leveling and an asphalt surface course as described below.

- A. Clip Shoulders: Contractor shall clip the edge of the shoulders and Broom the Street prior to Tack Coat. There will be no separate pay for this Item. (Include with Traffic Control).
- B. Leveling: Contractor shall level all areas of Street where need. City has marked these areas with fluorescent paint, however leveling not limited to just these areas.
- C. Tack Coat: All surfaces shall be tack coated per GDOT specifications before applying asphalt surface course.
- D. Surface Course: 165 lbs. /SY of 9.5 mm Superpave, Type I or II include Bitumen Material & H Lime. (Per GDOT specifications)
- E. Testing: A testing firm shall be hired by the Owner. Contractor shall be responsible for coordination.
- F. Painting: Contractor shall place temporary stripping and stop bars in accordance with GDOT Specs. (Include in Traffic Control)

- G. Fix Shoulders: Contractor shall dress up shoulders after paving operation is complete. To include removal of all construction debris and dirt clippings. This task must be completed within 48 hours of asphalt placement. (Include in Traffic control.)
 - H. Traffic Control: Contractor shall be responsible for traffic control as outlined in the MUTCD.
- 5. Caswell Street:** The existing pavement section consists of two or more asphalt surface course layers, over existing Concrete Street 8 to 10 inches thick. Contractor shall provide Milling work necessary for proper drainage, leveling, and asphalt surface course.
- A. Milling of Street: Contractor shall mill Entire Street where Curb and Gutter exist to maintain proper drainage. Milling shall be variable depth milling 1-1/4" to 2" typical. Depth at face of curb shall be milled at 2" deep to extend outwardly approximately 6' (feet) and taper to a depth of 1-1/4". Remaining section of street shall be milled at a depth of 1-1/4".
 - B. Clip Shoulders: Contractor shall clip the edge of the shoulders where needed and Broom the Street prior to Tack Coat.
 - C. Leveling: Contractor shall level all areas of Street where need. City has marked these areas with fluorescent paint, however leveling not limited to just these areas.
 - D. Tack Coat: All surfaces shall be tack coated per GDOT specifications before applying asphalt surface course.
 - E. Surface Course: 165 lbs. /SY of 9.5 mm Superpave, Type I, include Bitumen Material & H Lime. (Per GDOT specifications)
 - F. Testing: A testing firm shall be hired by the Owner. Contractor shall be responsible for coordination.
 - G. Painting: Contractor shall paint traffic lines and stop bars in accordance with GDOT Specs.
 - H. Fix Shoulders: Contractor shall dress up shoulders after paving operation is complete.
 - I. Traffic Control: Contractor shall be responsible for traffic control as outlined in the MUTCD.
- 6. Clean-up:** Upon completion of the work, all excess material and debris shall be removed from the job site and disposed in a legal manner. The surrounding construction areas shall be left in essentially as good a condition as existed prior to beginning the construction.
